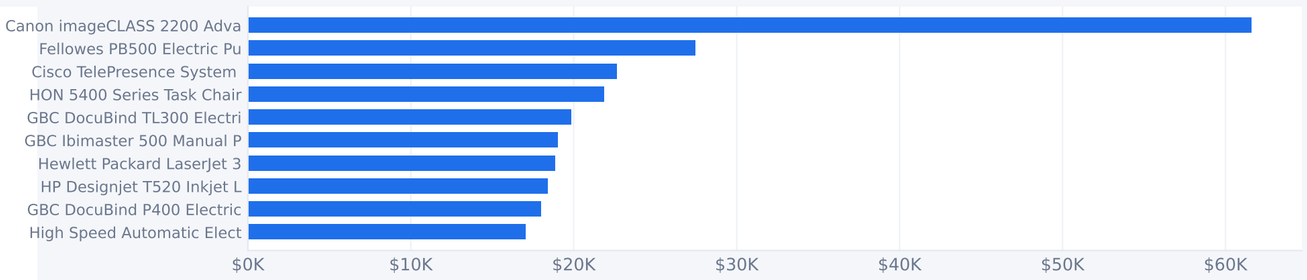
Top 10 products by sales



Key insights and recommendations

- Sales grew 51% (2014-2017) but margin stayed near 13%
- Discounts above 20% lost about $135K: cap them at 20%
- Furniture margin is 2.5%; Tables and Bookcases lose money: reprice
- Technology + Office Supplies give 94% of profit: push them
- Texas, Ohio, Pennsylvania, Illinois are loss-making: review costs
- Sep, Nov, Dec peak: stock up early; use Jan-Feb for clearance
